

UGA Clinic Pet Photo Exhibit

The University of Georgia College of Veterinary Medicine

ENTRY FORM

An Exhibit Just For You

Our Pet Photo Exhibit was inspired by the many touching stories we hear from our patrons about their pets. In the last year we have discovered that our clinic patrons and college staff are gifted photographers. As a tribute to your talent, and in thanks for your support, the UGA College of Veterinary Medicine plans to maintain a changing gallery of pet photographs for years to come. Selected images will be enlarged, framed, and displayed in the Small Animal Clinic Lobby. A photographer's credit line, image title, and personal description about the photo will also be displayed. ***(Please attach a 7 to 10 line paragraph describing your pet/photo entry to this Entry Form.)*** Each selected entry will be exhibited for a minimum of three months. Winners will be presented with a beautiful full color certificate featuring a picture of the exhibited photograph. There is no entry fee and no deadline!

Everyone Is Eligible

We are looking for your favorite photo. That magical moment in time capturing your pet's spirit, athleticism, intellect, or humor. **A separate Entry Form is required with each entry.** Entries may be submitted as 4x6" (or larger) glossy color prints, color slide, or as high resolution rgb jpeg files on a CD. Entry photos not selected for display are returned by request only when accompanied by a self-addressed, stamped envelope. If not returned, the photo will reconsidered in the judging for the next Photo Exhibit.

How to Win

All photos are judged for image quality (please omit dates in photos), color, composition, and creativity. Once selected, your photos will be returned with your certificate.

Please mail your application and photo to:
