## **FUNDING OPPORTUNITIES**

**Grayson-Jockey club Research Foundation, Inc. - NTRA's Barbaro Memorial fund-raising effort has garnered an additional \$134,000 for research on laminitis. You may access the grant application at:**

[grayson-jockey.org](http://grayson-jockey.org)

**The deadline for applications will be September 1, 2009. Projects will be evaluated and a decision made on which one(s) will be funded approximately one month later.**

### **Morris Animal Foundation Announces Quarterly Call for Pilot Studies**

Morris Animal Foundation (MAF) now accepts proposals for pilot studies throughout the year. Proposals will be reviewed quarterly. The goal of this program is to provide timely funding for innovative ideas to speed up discovery and advance the Foundation's mission. Preliminary data are not required to successfully compete for an MAF pilot-study grant.

**The American Kennel Club Canine Health Foundation** ( [www.akcCHF.org](http://www.akcCHF.org) ) is the largest Foundation in the world focusing solely on canine health research and education. The Foundation provides significant resources for basic and applied health programs with an emphasis on canine genetics to improve the quality of life for dogs and their owners. We support scientists and professionals in research studies on the origins of canine illness, diagnosis of canine diseases, development of effective treatments, and identification of disease prevention strategies. Please review the following link for a list of grants and proposals guidelines that are available.
