FUNDING OPPORTUNITIES

The Alpaca Research Foundation (ARF) – Call for proposals. ARF was established in 1998 by the Alpaca Registry Incorporated as a non-profit organization to provide funding to qualified investigators for alpaca-related scientific research that will benefit alpaca breeders on national and international levels. Some areas of current research interest are:

Health
Husbandry
Genetics
Fiber

ARF encourages but does not require collaborative studies between institutions and researchers.

Pre-proposals are due November 1, 2009 and should be sent electronically to:

Patricia Craven, PhD
alpacone@hughes.net

One signed hard copy should also be sent to:

Patricia Craven, PhD
1491 Donahue Rd.
Creekside, PA 15732

Please click below for ARF Foundation policies and procedures and ARF Pre-proposal application.

Morris Animal Foundation Announces Quarterly Call for Pilot Studies

Morris Animal Foundation (MAF) now accepts proposals for pilot studies throughout the year. Proposals will be reviewed quarterly. The goal of this program is to provide timely funding for innovative ideas to speed up discovery and advance the Foundation's mission. Preliminary data are not required to successfully compete for an MAF pilot-study grant.

About Morris Animal Foundation: Morris Animal Foundation, established in 1948, is dedicated to funding animal health research that protects, treats and cures companion animals, horses and wildlife. MAF has been at the forefront of funding breakthrough research studies benefiting animals on all seven continents. MAF has its headquarters in Denver. Charity Navigator ranks MAF as a four-star charity, the highest rating. MAF is a BBB Wise Giving Alliance Charity Seal Holder. For more information, call 800.243.2345 or visit (<http://www.morrisanimalfoundation.org>).

PLEASE NOTE:

To ensure that this information continues to reach your inbox (not bulk or junk folders) please add mailbox@MorrisAnimalFoundation.org (<mailto:mailbox@morrisanimalfoundation.org>). Thank you.

The American Kennel Club Canine Health Foundation (www.akcCHF.org) is the largest Foundation in the world focusing solely on canine health research and education. The Foundation provides significant resources for basic and applied health programs with an emphasis on canine genetics to improve the quality of life for dogs and their owners. We support scientists and professionals in research studies on the origins of canine illness, diagnosis of canine diseases, development of effective treatments, and identification of disease prevention strategies. Please review the following link for a list of grants and proposals guidelines that are available.
