

## SYLLABUS

### Science of Veterinary Medicine VETM 5120 0.5 cr.

**Date:** Thursday, October 13, 2011

**Time:** 10:00 am-5pm

**Room(s):** VET MED BLDG.

**Instructors:** Dr. Scott Brown (sbrown01@uga.edu)

**Course Description:** This course is designed to introduce veterinary students to the translational application of basic science for developing tools for veterinary medicine through a symposium and series of lectures throughout Fall semester. The Science of Veterinary Medicine Symposium consists of a keynote speaker, research poster session, oral presentations by students, and an Emerging Fields discussion session.

**Grading:** Satisfactory/Unsatisfactory There are no quizzes or tests. Enrolled students must attend the following sessions and turn in a signed copy of the program at the end of the last session. Programs can be printed from the SVM website (<http://www.vet.uga.edu/research/students/scienceofvetmed/index.html>)

*Failure to turn in a signed program will result in a grade of Unsatisfactory for the course*

## UNIVERSITY HONOR CODE AND ACADEMIC HONESTY POLICY

UGA Student Honor Code: "I will be academically honest in all of my academic work and will not tolerate academic dishonesty of others." *A Culture of Honesty*, the University's policy and procedures for handling cases of suspected dishonesty, can be found at [www.uga.edu/ovpi](http://www.uga.edu/ovpi). Every course syllabus should include the instructor's expectations related to academic integrity.
